

# Star of the Week Schedule

As “Star of the Week,” your child will be class leader and have special classroom responsibilities. It is also a time when our classmates get to know each other better. Your child may bring in photographs, awards, art work, or anything else your child wishes. You may also send in a snack. These suggestions are entirely optional. (If your week will not work for you, let me know and you may take an open slot.)
